

How to Use the Moodle Course Website

Moodle will be used:

- To check your quiz grades
- To download the lab exercise data sheets and questions for your lab report.
- To access the syllabus, the class calendar and the Lab Safety Signature form.
- To get your instructor's contact information.

How to login and use Moodle

Go to: www-horticulture.tamu.edu

Is this is your first time using the site?

1. Select the Login button on the left.
2. You will be redirected to the NetID login screen, Enter your NetID and password.
3. Upon successful login, a new user account will be automatically added and you will be returned to this system.
4. Now, select the course you want to participate in.
5. On the Enrollment options page:
Enter the "enrollment key" below for your respective lab section.

Section	Enrollment Key – all lower case
501	monday
502	tuesday
503	wednesdayam
504	wednesdaypm
505	thursday

Click Enroll me.

6. You can now access the full course web site. From now on you will only need to enter your NetID and password to log in and access any course you have enrolled in.

Login after your first time:

You will only need to enter your NetID and password to log in and access any course you have enrolled in.
